

INCENTIVE PROGRAMS

Help ACE receive money with Spirit Nights, Box Tops, shopping at Harris Teeter, and Publix!

A quick swipe of your Harris Teeter VIC card or scanning your receipt for Box Tops makes a HUGE difference for our school!

***All can be done digitally – there is no easier way to help Augusta Circle Elementary! ***

Grab a VIC card at Harris Teeter and choose Augusta Circle as a recipient through Together in Education. You can also complete this step online when you login to your account and scroll to "Together in Education." Your VIC card can be linked with up to five different schools! Please help support our school by completing this easy step! ***You must link Augusta Circle to your account every school year, so please double check!**

Our school earns money when customers register for a Publix.com account. Sign up for the Program and then select the school that they want to support. Each time you shop at Publix, you can help earn money for ACE by entering your phone number in the PIN Pad during check-out or paying through the app. ***You must link Augusta Circle to your account every school year, so please double check!**

Also, no more cutting Box Tops! Download the new "[Box Tops for Education](#)" app on your phone and follow the simple steps to start earning money for ACE.

SPIRIT NIGHTS Be on the lookout for Spirit Nights with our community partners throughout the school year! Local restaurants and shops designate special days and/or nights for Augusta Circle Elementary and generously give a portion of that night's profit to ACE.
